

COMPUTER CLASSES @ YOUR LIBRARY

Introduction to facebook.

Want to connect with family and friends using Facebook?

This class covers the basics of Facebook, including how to create an account, maintain your privacy and connect with friends.

A working knowledge of how to use a computer is required.
Students should also have an email address and be familiar with its use.

Avondale Heights Library and Learning Centre
Held monthly on Wednesdays, 10am to 12pm.

24 August, 21 September, 19 October, 16 November.

The cost for each class is \$5, free for seniors and concession holders.
